

## PRACTICAL INFORMATION PROVIDERS WANT TO KNOW ABOUT CARDIAC TROPONIN TESTING: HOW THE LABORATORY SHOULD APPROACH IMPLEMENTATION OF HIGH SENSITIVITY ASSAYS

**By: FRED S. APPLE, PhD**

Medical Director of Clinical Laboratories, Hennepin County Medical Center and  
Professor, Laboratory Medicine & Pathology, University of Minnesota

**Date:** Monday, May 23<sup>rd</sup>, 2016 **(New Date)**

**Time:** 5:30 P.M. – Reception (light food and beverages provided)  
7:00 P.M. – Scientific Presentation

**Location:** University of Illinois at Chicago, College of Medicine Research Building, **909 S. Wolcott Avenue, Gerald Moss Auditorium (Rm1020)** (Enter on Wolcott between Polk and Taylor. Parking is available directly across the street in Lot B2 on Wolcott and on Polk Street in the Parking Garage at Stroger Hospital (Cook County Hospital) between Wood and Wolcott

**Moderator:** Steven C. Harris, MD, MPH, Delegate, C-AACC, Department of Pathology, UIC

**RSVP:** Ming Jin, Program Chair, C-AACC at [mjin@uic.edu](mailto:mjin@uic.edu) by **Friday, May 20th, 2016**

**The Purpose of This Activity:** To enable clinical chemists and pathologists to integrate advances and changes in the understanding of disease, new technology, methodology, management, and regulation into the practice of pathology to promote understanding of disease, improve clinicopathologic correlation and better patient care.

**Intended Audience:** Pathologists, Laboratory Scientists, Pathology Residents and other trainees

**Objectives:** Upon completion of this activity, participants should be able to:

1. Educate laboratories on analytical characteristics of high sensitivity cardiac troponin assays.
2. Review the evidence based literature regarding clinical strategies for the early rule in and rule out of MI using high sensitivity assays.

3. Improve provider understanding of differentiating myocardial injury from myocardial infarction and the use of biomarkers of cardiovascular function.

---

#### **Accreditation**

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (**ACCME**) through the joint sponsorship of the College of American Pathologists and the Chicago Pathology Society. The College of American Pathologists is accredited by the ACCME to provide continuing medical education for physicians.

#### **Credit Designation**

The College of American Pathologists designates this live educational activity for a maximum of 1 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

***The content of this CME activity does not necessarily reflect the views or policies of the College of American Pathologists.***

#### **Disclosure Statement and Information**

All speakers/planners of a CAP educational activity must disclose to the program audience any financial interest or relationship with the manufacturer(s) of any commercial product(s) that may be discussed in the educational activity or with the manufacturer of a product that is directly competitive with a product discussed in the presentation. Relevant financial relationships are considered to be any financial relationships in any amount occurring within the past 12 months that create a conflict of interest. The College of American Pathologists does not view the existence of these interests or uses as implying bias or decreasing the value to participants. The CAP, along with the Accreditation Council for Continuing Medical Education (**ACCME**), feels that this disclosure is important for the participants to form their own judgment about each presentation. Below you will find the financial disclosure relationships for anyone who was able to affect content of this educational activity. The CAP does identify and manage all potential conflicts of interest to ensure that all educational activities promote improvements or quality in healthcare and are free of commercial bias for or against a product/service.

**The following speakers/planners have no financial relationships to disclose:** Anthony Chang, MD, Chad El-Zayaty, MD, Aliya Husain, MD, John Abran, MD, Carey August, MD, Elliot Weisenberg, MD, Daina Variokojis, MD, Elizabeth Wiley, MD, Steven Ruby, MD, Elizabeth Perlman, MD, William Laskin, MD, Maria Picken, MD, PhD, Michael Pins, MD, Karen Kaul, MD, Ira Miller, MD, PhD, Steven Harris, MD, MPH, Archana Bargaje, MD, Sivakumar Ramu, PhD, Ming Jin, PhD, Edward Ki Yun Leung PhD, Sarah Hackenmueller, PhD, Mary Cluver, MS, Brenda Bienka Suh-Lailam, PhD, Sean Allan Agger, PhD, Jessica Marie Colon-Franco, PhD, Dimitra Georganopoulou, PhD, Randal Joseph Schneider, MD, Irene Shu, PhD.

***No In-Kind or Commercial Support has been received for this activity***
