Van Slyke Foundation

Benefits of Giving

The best benefit of your philanthropy is knowing how much your gift means to deserving science students and to clinical laboratorians in the developing world.

You will also be counted among those who are making a difference to the clinical laboratory field and profession worldwide.

Van Slyke Foundation

Benefits of Giving

As a token of our thanks, and depending on the size of your gift, you will also receive:

- pins, plaques and other thank-you gifts
- invitations to donors-only luncheons, receptions and events
- free AACCC Annual Meeting registration
- mention in the Van Slyke Foundation's Honor Roll, on AACCC's website, in *Clinical Laboratory News*, at the AACCC Annual Meeting and in other publications

*Corporate gifts also count towards booth placement at the AACCC Annual Meeting.
