Student Liaison Volunteer for the NEO-AACC Section

The board members of the Northeast Ohio American Association for Clinical Chemistry local section are actively seeking to recruit a volunteer to work as a Student Liaison. Through this position, the volunteer will serve to:

1. Promote the organization to clinical chemistry trainees and graduate students in the Northeast Ohio region.
2. Assist in organizing and publicizing local events and meetings.
3. Perform other duties as assigned by the committee.

All interested candidates, please e-mail the following application materials to northeastohioaacc@yahoo.com

1. A copy of your CV
2. A statement of intent (1-page max) describing your interest in serving the NEO-AACC.

Application deadline **Friday, June 30, 2017**

This is an exceptional opportunity to represent the students of NEO AACC and develop lasting ties with the local chapter of the organization.

****The student liaison is not eligible to compete for awards and scholarships offered by the Northeast Ohio AACC Local Section**

Disclaimer: NEO AACC does not discriminate applicants based on race, color, national origin, age, disability, gender, identity, or religion.
