

CRITICAL AND POINT-OF-CARE TESTING DIVISION

15TH ANNUAL POINT-OF-CARE COORDINATORS FORUM

Nursing and POC Teams: Working for the Same Goal

THURSDAY, August 3

7:30 am - 10:00 am San Diego Convention Center

Sponsored by the AACC Critical and Point-of-Care Testing Division.

AACC's Point of Care (POC) Coordinators Forum will highlight the interpersonal relationship between Nursing personnel and POCT. Our speaker, Judy Prewitt, DUH Magnet Program Director, DUHS ACNO Practice, Magnet, & Research, DUHS Chair, MedSurg PERT, will focus on Point of Care Testing from a Nurse's perspective. She will emphasize the importance of the relationship between POCT Coordinators and Nursing Staff to provide a better understanding of each role and how to work together to provide the best patient care.

Following the presentation, a panel consisting of representatives from POCT, Nursing, Perfusion, and Respiratory Therapy will discuss communication issues and answer questions from the audience.
