

**Continuing Education Information for Presentations AACC
Endocrinology Division Annual Luncheon
July 27, 2015 – Atlanta, GA**

AMA PRA Category 1 Credit(s)[™]

The AACC is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The AACC designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACCENT[®] credit hours

AACC also designates this activity for a maximum of 1.5 *ACCENT*[®] credit hours towards the AACC Clinical Chemist's Recognition Award. AACC is an approved provider of continuing education (CE) for clinical laboratory scientists licensed in states that require documentation of CE, including California, Florida, Louisiana, Montana, Nevada, North Dakota, Rhode Island, Tennessee, and West Virginia. *ACCENT*[®] credit is also recognized by several organizations: AAB, ABCC, ACS, AMT, ASCLS, ASCP, ASM, CAP, IFCC, and NRCC.

Disclosure Information

All individuals involved in planning and developing the content of the presentations were required to submit a disclosure form. For those individuals who disclosed that they have a financial relationship with a company whose products/services may be referenced or discussed in the program presentations, the relationships are described below.

The planning committee reviewed all of the disclosed information. If any potential or real conflicts of interests were identified, they were resolved prior to the course

Planning Committee and Speaker:

James D. Faix, MD (Montefiore Medical Center) – disclosed that he has no relevant financial relationships; therefore, there is no conflict of interest.

Speaker:

Katleen Van Uytvanghe PhD, Post-doctoral researcher, Ghent University, Belgium
and Scientific Secretary, International Federation of Clinical Chemistry (IFCC) Standardization of Thyroid Function Tests Committee (C-STFT)

Dr. Van Uytvanghe receives support from the following companies for her role as Scientific Secretary, International Federation of Clinical Chemistry (IFCC) Standardization of Thyroid Function Tests Committee (C-STFT) :

Abbott Diagnostics, Beckman Coulter, bioMérieux, DiaSorin, Fujirebio, Mindray Medical International Limited, Ortho-Clinical Diagnostics, Roche Diagnostics GmbH, Sichuan Maccura Biotechnology Co., Siemens Healthcare Diagnostics Inc. Tosoh Corporation
