Section 8.03 Expenses of Successful Defense. To the extent that a person has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Sections 7.01 or 7.02 of this article, or in defense of any claim, issue, or matter in the action, suit, or proceeding, the person shall be indemnified against expenses (including actual and reasonable attorney fees) incurred in connection with the action and in any proceeding brought to enforce the mandatory indemnification provided by this article.

Such determination shall be made in any of the following ways:

a) by a majority vote of a quorum of the Executive Committee, consisting of Directors who were not parties to such action, suit, or proceeding.

Section 8.07 Expense Advance. Expenses incurred in defending a civil or criminal action, suit, or proceeding described in Sections 8.01 or 8.02 of this article may be paid by the Corporation in advance of the final disposition of the action, suit, or proceeding on receipt of an undertaking by or on behalf of the person involved to repay the expenses, if it is ultimately determined that the person is not entitled to be indemnified by the Corporation. The undertaking shall be an unlimited general obligation of the person on whose behalf advances are made, but need not be secured.

Such insurance may protect against any liability asserted against the person and incurred by him/her in any such capacity or arising out of his/her status as such, whether or not the Corporation would have power to indemnify against such liability under this article or the laws of the State of Michigan.

Section 8.12 Changes in Michigan Law. If there are any changes in the Michigan statutory provisions applicable to the Corporation and relating to the subject matter of this article, then the indemnification to which any person shall be entitled shall be determined by such changed provisions, but only to the extent that any such change permits the Corporation to provide broader indemnification rights than such provisions permitted the Corporation to provide before any such change.
