Directions: **From NYC using LIE (Rt. 495):** Take the LIE (495) east to Exit 34 – New Hyde Park Road. Make a right turn onto New Hyde Park Rd. (you will be going South). Go to third traffic light and make a right turn into the LSQ Park (Lake Success Quadrangle). Make another quick right turn (1st right – very short distance) onto the Park roadway and go straight to the end where you will make a left turn. Proceed straight to 6 Ohio Dr. looking for signs posted on the left side of the road (6 Ohio Dr. is the second building on the left with a sign on the building). Make a left turn into the parking area. The lobby entrance is under a large blue awning and you can use either front or back doors.

From Eastern Long Island using the LIE (495): Take LIE West to Exit 34 – New Hyde Park Road. Make a left turn onto New Hyde Park Rd. (going South). Drive to the fourth traffic light and make a right turn into the LSQ Park. Follow directions listed above from this point. **Free Parking.**
