In the alternative, such notice may be provided by facsimile transmission, electronic transmission or other form of written communication directed to the member’s receiving number or address as it appears in the records of the Northeast Section for such communication, unless the member shall have specified otherwise in writing. ARTICLE VI

BOARD OF DIRECTORS

Section 6.1 Powers. The Board of Directors ("Board") shall have all of the powers and duties necessary or appropriate for the administration of the affairs of the Northeast Section and may perform such acts and things as are not directed to be exercised and done by the members, by law, by the Articles of Organization or by these By-Laws. The Board may delegate management of the activities and affairs of the Northeast Section to any person or persons or committees however composed, provided that the activities and affairs of the Northeast Section shall be managed and all corporate power shall be exercised under the ultimate direction of the Board.

Section 6.2 Composition. The Board shall consist of not less than three (3) nor more that eight (8) members. The Board shall set the exact number of Directors by majority resolution. The Directors shall be elected by the members at the November meeting as provided by Article VIII. Only members in good standing of the Northeast Section and of the Association shall hold elected office.

Section 6.3 Vacancies. Any vacancy at any time existing in the Board may be filled by the Board at any meeting. The members having voting power may, at a special meeting called at least in part for the purpose, choose a successor to a Director whose office has become vacant, and the person so chosen shall displace any successor chosen by the Board.

Section 6.4 Annual Meeting. Immediately after the November meeting of the members, or the special meeting to be held in lieu thereof, and at the place thereof, if a quorum of the Directors is present, a meeting of the Board shall be held without notice. If a quorum of the Directors is not present, or, if present, does not proceed immediately thereafter to hold a meeting of the Board, the annual meeting of the Board shall be called in the manner provided in Section 6.8 with respect to the call of special meetings of the Board.

Section 6.5 Regular Meetings. Regular meetings of the Board may be held at such places and times as the Board may determine. The Board shall meet at least twice each year.

Section 6.7 Notices. Forty-eight (48) hours notice by mail, facsimile transmission, electronic transmission or other written communication, telephone or word of mouth shall be given of all meetings of the Board unless shorter notice is adequate under the circumstances. Such notice shall be directed to the Director's receiving number or address as it appears in the records of the Northeast Section for such communication. Notice need not be given to any Director if a written waiver of notice, executed by him or her before or after the meeting, is filed with the records of the meeting, or to any Director who attends the meeting without protesting prior thereto or at its commencement the lack of notice to him or her. A notice of waiver of notice of a Board meeting need not specify the purposes of the meeting.

Section 6.8 Quorum. At any meeting of the Board, a majority of the Directors then in office shall constitute a quorum for the transaction of business. If, at any meeting of the Board, there is less than a quorum present, the majority of those present may adjourn the meeting finally or from time to time without further notice until a quorum is present.

Section 6.9 Action at Meeting. At any meeting of the Board at which a quorum is present, the action of the Directors on any matter brought before the meeting shall be decided by vote of a majority of those present, unless a different vote is required by law, by the Articles of Organization or by these By-Laws.

Section 6.10 Action by Written Consent. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if a written consent thereto is signed by sufficient Directors to constitute a quorum and the written consent is filed with the records of the meetings of the Board. Such consent shall be addressed to the Secretary or other officer or agent having custody of the records of proceedings of the Board, and may be delivered by facsimile transmission or electronic transmission. Such consent shall be treated for all purposes as a vote at a meeting.

The Directors may elect from their number or from the members an executive or other committee and may delegate some or all of their powers except those which by law, the Articles of Organization or these By-Laws they are prohibited from delegating. Except as the Directors may otherwise determine, any such committee may make rules for the conduct of its business, but unless otherwise provided by the Directors or in such rules, its business shall be conducted as nearly as possible in the same manner as is provided by these By-Laws for the Directors. The Directors shall have the power to fill vacancies, change the membership of, or disband any such committee.

Section 6.12 Telephone Conference Meeting. The Directors or members of any committee may participate in a meeting of the Board or such committee by means of a conference telephone or similar communications equipment by means of which all
persons participating in the meeting can hear each other at the time, and participation by such means shall constitute presence in person at a meeting.

Said copies and records need not all be kept in the same office. They shall be available at all reasonable times for inspection by any member for any purpose but not to secure the list or information for the purpose of selling said list or information or copies thereof, or of using the same for a purpose other than in the interest of the applicant, as a member, relative to the affairs of the Northeast Section.
Section 9.5  Financial Signatories. All checks or demands for money and notes of the Northeast Section shall be signed by the Treasurer or such other officer or agent as the Board may from time to time designate.

All fully executed counterparts, whether original executions or facsimile or scanned executions or a combination, shall be construed together and shall constitute one and the same agreement.

ARTICLE X

Section 10.1  Rules of Order. The current edition of “Robert’s Rules of Order, Newly Revised” shall be the parliamentary authority for meetings of the Northeast Section and the Board, where applicable and where there is no conflict between said rules and these By-Laws.

ARTICLE XI

INTERESTED MEMBERS, DIRECTORS AND OFFICERS

Section 11.1  Compensation. The Directors shall have the power to fix the compensation of all officers and employees, if any, from time to time.

Section 11.2  Contracts or Transactions. No contract or transaction between the Northeast Section and one or more of its members, Directors or officers, or between the Northeast Section and any other corporation, partnership, association or other organization in which one or more of its members, Directors or officers are directors or officers, or have a financial or other interest, shall be void or voidable solely for this reason, or solely because the member, Director or officer is present at or participates in the meeting of the members of the Board or committee thereof which authorizes the contract or transaction, or solely because his or her or their votes are counted for each such purpose, nor shall any member, Director or officer be under any liability to the Northeast Section on account of any such contract or transaction if:
(a) The material acts as to his or her relationship or interest and as to the contract or transaction are disclosed or are known to the Board or committee, and the Board or committee authorized the contract or transaction by the affirmative votes of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; or

(b) The material facts as to his or her relationship or interest and as to the contract or transaction are disclosed or are known to the members entitled to vote thereon, and the contract or transaction is specifically approved by vote of the members; or

(c) The contract or transaction is fair as to the Northeast Section as of the time it is authorized, approved or ratified by the Board, a committee thereof, or the members.

Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board or of a committee which authorizes the contract or transaction, and if they are members, their votes may be counted for the purpose of a vote by the members approving such contract or transaction.

ARTICLE XII

INDEMNIFICATION

Section 12.1 Indemnification. The Northeast Section shall, to the extent legally permissible, and as provided by Article IV(a) of the Articles of Organization, indemnify any person serving or who has served as a Director, officer, employee or other agent of the Northeast Section, or at its request as a Director, officer, employee or other agent of any organization, or at its request in any capacity with respect to any employee benefit plan, against all liabilities and expenses, including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees, reasonably incurred by him or her in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which he or she may be involved or with which he or she may be threatened, while in office or thereafter, by reason of his or her being or having been such a Director or officer (or in any capacity with respect to any employee benefit plan), except with respect to any matter as to which he or she shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his or her action was in the best interests of the Northeast Section (or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interest of the participants or beneficiaries of such employee benefit plan); provided, however, that as to any matters disposed of by a compromise payment by such person, pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expenses shall be provided unless such compromise and indemnification therefor shall be approved:
(a) By a majority vote of a quorum consisting of disinterested Directors;

(b) If such quorum cannot be obtained, then by a majority vote of a committee of the Board consisting of all disinterested Directors;

(c) If there are not two or more disinterested Directors in office, then by a majority of the Directors then in office, provided they have obtained a written finding by special independent legal counsel appointed by a majority of the Directors to the effect that, based upon a reasonable investigation of the relevant facts as described in such opinion, the person to be indemnified appears to have acted in good faith in the reasonable belief that his or her action was in the best interest of the Northeast Section (or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan);

(d) By a majority note of the members, which majority may include interested members, Directors and officers; or

(e) By a court of competent jurisdiction.

Section 12.2 Advance Payments. If authorized in the manner specified above for compromise payments, expenses including counsel fees, reasonably incurred by any such person in connection with the defense or disposition of any such action, suit or other proceeding, may be paid from time to time by the Northeast Section in advance of the final disposition thereof upon the receipt of:

(a) An affidavit of such individual of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under this Article, and

(b) An undertaking by such individual to repay the amounts so paid to the Northeast Section if it is ultimately determined that indemnification for such expenses is not authorized by law or under this Article, which undertaking may be accepted without reference to the financial ability of such person to make repayment.

Section 12.3 Dual Representation. If both the Northeast Section and any person to be indemnified are parties to an action, suit or proceeding (other than action or suit by or in the right of the Northeast Section to procure a judgment in its favor), counsel representing the Northeast Section therein may also represent such indemnified person (unless such dual representation would involve such counsel in a conflict of interest in violation of applicable principles of professional ethics), and the Northeast Section shall pay all fees and expenses of such counsel incurred during the period of dual representation other than those, if any, as would not have been incurred if counsel were representing only the Northeast Section; and any allocation made in good faith by such counsel of fees and disbursements payable under this paragraph by the Northeast Section versus fees and disbursements payable by any such indemnified person shall be final and binding upon the Northeast Section and such indemnified person.
Section 12.4 Not Exclusive. The right of indemnification hereby provided shall not be exclusive of or affect any other rights to which any such indemnified person may be entitled. Nothing contained in this Article shall affect any rights to indemnification to which Northeast Section personnel other than the person designated in this Article may be entitled by contract, by vote of the Board of Directors, or otherwise under law.

Section 12.5 Heirs, Executors and Administrators. As used in this Article, the terms “person,” “Director,” “officer,” “employee” and “agent” include their respective heirs, executors and administrators, and an “interested” Director or officer is one against whom in such capacity the proceedings in question or other proceedings on the same or similar grounds is then pending.

Section 12.6 Enforceability. If any term or provision of this Article, or the application thereof to any person or circumstances, shall to any extent be held invalid or unenforceable, the remainder of this Article, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Article shall be held valid and enforceable to the fullest extent permitted by law.

ARTICLE XIII

AMENDMENTS

Section 13.1 Amendment by Members. These By-Laws may at anytime be amended by vote of the members, provided that notice of the substance of the proposed amendment is stated in the notice of the meeting.

Section 13.2 Amendment by Directors. The Directors also may make, amend or repeal these By-Laws, in whole or in part, except with respect to Article XI and Article XII or any other provision thereof which by law, the Articles of Organization or these By-Laws requires action by the members. Not later than the time of giving notice of the meeting of members next following the making, amending or repealing by the Directors of any By-Law, notice thereof stating the substance of such changes shall be given to all members entitled to vote on amending the By-Laws. Any By-Law adopted by the Directors may be amended or repealed by the members.
