Email: bridgit.o.crews@kp.org OR Tel: 510-231-5415 (leave message)

Please indicate food preference (chicken, beef, or vegetarian)

One hour of Category 1 ACCENT credit given

After attending this session, the participant will be able to:

- 1) Apply updated diagnostic criteria for multiple myeloma**
- 2) Identify patients appropriate for clinical trial participation**
- 3) Recognize common symptoms and signs of AL amyloidosis**

RSVP details: Reservations are due by Friday, November 13, 2015. Since we must guarantee a certain number of dinners for this event, those making reservations will be required to pay even if they do not attend. Email Bridgit Crews at bridgit.o.crews@kp.org (an email confirmation will be returned), or leave a phone message at 510-231-5415. Please state your name, the names of those attending with you, and a phone number or e-mail address where you can be contacted. Payment can be made by cash or check at the meeting. Non-members are welcome.

NOTE: We are initiating a new pricing level for CLS & MLT professionals. CLS students are welcome to attend free of charge but must make a reservation. Please mention your CLS, MLT or student status when you call or e-mail your reservation.

CE credit: This program is approved by the American Association for Clinical Chemistry for one hour of Category 1 ACCENT credit toward the Clinical Chemists Recognition Award and recertification requirements for the NRCC. Credits earned at ACCENT approved programs are accepted by the American Society for Clinical Laboratory Science (ASCLS), the American Association of Bioanalysts (AAB), the American Society for Microbiology (ASM), and California State Laboratory Field Services.
