

PEDIATRIC CLINICAL CHEMISTRY: WHAT MAKES IT DIFFERENT?

PATRICIA M JONES, PHD, DABCC

PRESIDENT OF AACC

DIRECTOR, CHEMISTRY AND METABOLIC DISEASE LAB

CHILDREN'S MEDICAL CENTER

PROFESSOR OF PATHOLOGY, UT SOUTHWESTERN MEDICAL CENTER

NATIONAL AACC ADVOCACY UPDATE

LORETTA DOAN, PHD

VICE PRESIDENT, POLICY AND GLOBAL AFFAIRS

Wednesday, January 20, 2016

Hong Kong East Ocean Restaurant

3199 Powell Street, Emeryville 94608

Tel: 510-655-3388

6:00-6:30 pm Networking

6:30-7:30 pm Dinner

7:30-7:45 pm Dr. Loretta Doan

7:45-8:45 pm Dr. Patricia Jones

\$35.00 includes Dinner & Presentation

\$15.00 Special Pricing for CLS & MLT Professionals

Free for CLS Students

Payment (cash/check only – no credit cards) may be made at the meeting. Non-members welcome.

One hour of Category 1 ACCENT credit given

PLEASE RSVP BY Friday, January 15th to Nandu Chindarkar

Email: nandkishor.s.chindarkar@kp.org Tel: 510-559-2396 (leave message)

After attending this session, the participant will be able to:

- 1. Delineate day-to-day operational difference between pediatric and adult chemistry labs**
- 2. Recognize and manage issues related to sample volume**
- 3. Discuss the need for pediatric reference intervals**
- 4. Describe methods for validating, transferring or establishing pediatric reference intervals**
- 5. Delineate unique testing performed in pediatric labs**

RSVP details: Reservations are due by Friday, January 15, 2016. RSVP by emailing Nandu Chindarkar, e-mail: nandkishor.s.chindarkar@kp.org (an email confirmation will be returned) or call him at 510-559-2396 and leave a message. Please state your name, the names of those attending with you, and an e-mail address or phone number where you can be contacted. Payment can be made by cash or check at the meeting. Non-members are welcome.

NOTE: We are initiating a new pricing level for CLS & MLT professionals. CLS students are welcome to attend free of charge but must make a reservation. Please mention your CLS, MLT or student status when you call or e-mail your reservation.

CE credit: This program is approved by the American Association for Clinical Chemistry for one hour of Category 1 ACCENT credit toward the Clinical Chemists Recognition Award and recertification requirements for the NRCC. Credits earned at ACCENT approved programs are accepted by the American Society for Clinical Laboratory Science (ASCLS), the American Association of Bioanalysts (AAB), the American Society for Microbiology (ASM), and California State Laboratory Field Services.
