

Please join us for AACC Pacific Northwest meeting!

TOPIC: Strategies for Handling Large-Scale Testing Failures and Errors in the Clinical Laboratory

DESCRIPTION:

Nikola Baumann, PhD, DABCC

Co-Director of the Mayo Clinic's Central Clinical Laboratory and Central Processing

Dr. Baumann will describe steps that laboratories should take when responding to large-scale testing errors, define the components of a large-scale testing error response and recovery plan, and identify the laboratory director's role in handling large-scale mishaps in the laboratory.

5:00-5:30: Mixer. Meeting old friends and new members!

5:30-6:30: Lecture

No Registration Fees; One ACCENT Credit

Please RSVP to Joyce Liao: liaoahc6@uw.edu by April 12, 2021

Zoom details will be emailed upon registering
