How to get Continuing Education for this Webinar

AACC is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This live activity is approved for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is approved by AACC for 1.0 Category 1 ACCENT[®] CEU credit hours. (ACCENT[®] approved programs are accepted by ASCLS for continuing education credits.) AACC is an approved provider of continuing education for clinical laboratory scientists in the states of California, Florida, Louisiana, Montana, Nevada, North Dakota, Rhode Island, and West Virginia. (ACCENT[®]-approved programs are also accepted by ASCLS for continuing education credit.)

After the webinar, please visit the materials website at:

Once you are on the site, look for the sentence that says “Obtain your CE Online here.” Click on the designated link to complete an automated, step-by-step online evaluation in order to obtain a Verification of Participation Certificate. This certificate serves as proof that you obtained the credit: there is no need to mail any forms back to AACC. When downloading your Verification of Participation Certificate be sure to change your page set-up to print in landscape format.

The Materials Webpage will remain up for a month after the webinar, so claim your CE credit as soon as possible after the webinar. Everyone who attends the webinar can claim CE credit but each must complete the online evaluation.

Online Evaluation

AACC values your comments! Even if you do not require continuing education credit, we would greatly appreciate your completing the online evaluation as your comments will be used to improve our programs.
