

CONTINUING EDUCATION CREDIT INSTRUCTIONS

Leading the Way to Positive Outcomes: The Role of POCT in Patient-Centered Care

ACCENT® credit hours

AACC designates this activity for a maximum of 6.5 ACCENT® credit hours towards the AACC Clinical Chemist's Recognition Award. AACC is an approved provider of continuing education (CE) for clinical laboratory scientists licensed in states that require documentation of CE, including California, Florida, Louisiana, Montana, Nevada, North Dakota, Rhode Island, Tennessee, and West Virginia. ACCENT® credit is also recognized by several organizations: AAB, ABCC, ACS, AMT, ASCLS, ASCP, ASM, CAP, IFCC, and NRCC.

Obtain Your Continuing Education Credits

1. After you have finished viewing all of the presentations, go to:
<http://direct.aacc.org/cevm/accent.aspx>
2. Read through the steps and click on "Next Screen" at the bottom of the screen to proceed to the next screen.
3. Enter the CE code for each session that you viewed (see table below). The final screen will be your certificate, which you may print out and/or save to your computer.
4. Continuing education credits must be obtained by August 15, 2016.

Questions? If you have questions about continuing education credit, contact the AACC Professional Education department at education@aacc.org.

Presentation Title	Speaker Name	CE Code	Credit Hours
Balancing the Challenges of POCT Quality and Patient Safety	Jeanne Mumford, MLS, MT(ASCP)	1101	0.5
Best Practices in Risk Assessment and Risk Management	James Nichols, PhD	1102	0.5
POCT Standards, Quality Management and Compliance: Tying it all Together	Marcia Zucker, PhD	1103	0.5
All Systems Go: Lab Safety and POCT in the Ebola Assessment Center	Daniel Scungio, MT(ASCP)	1104	1.0

Effective POCT Utilization: The Key to Improved Outcomes	Oscar “Skip” Brown, MD and John Petersen, MD	1105	1.0
POCT Training and Competency: An Integrated Health System’s Blended Approach	Shirley Church. MT(ASCP)	1106	0.75
Accounting for Pre-analytical Variables in POCT	L.V. Rao, PhD	1107	0.75
Using Blood Glucose Meters in the Hospital: Defining “Critically Ill” and Addressing Accreditation	Stephen Kahn, PhD	1108	0.75
Compliance Issues in Off- Label Use of Blood Glucose Monitors	Ann Snyder, MT(ASCP)	1109	0.75
